Personal data policy statements

(adherence to GDPR/Privacy Shield)

1. As Cisco is a global organization, we may transfer your personal information to Cisco in the United States of America, to any Cisco subsidiary worldwide, or to third parties and business partners as described above that are located in various countries around the world. By using our websites and Solutions or providing any personal information to us, where applicable law permits, you consent to the transfer, processing, and storage of such information outside of your country of residence where data protection standards may be different.

2. Cisco's global privacy program and policies have been approved by the Dutch, Polish, Spanish, and other relevant European privacy regulators as providing adequate safeguards for the protection of privacy, fundamental rights, and freedoms of individuals for transfers of personal information protected under European law. Cisco's Binding Corporate Rules – Controller (BCR-C) provide that transfers made by Cisco worldwide of European personal information benefit from adequate safeguards.

Policy statements relating to children

You also agree not to:

Attempt to collect, store, or publish personally identifiable information ... of a minor under the age of thirteen (13) in any circumstance.

Cisco encourages parents and guardians to take an active role in their children's online activities. Cisco does not knowingly collect personal information from children without appropriate parental or guardian consent.
