Whisper Anonymous Reporting

Guidance for Safeguarding Network Members

Introducing Whisper

Whisper is an anonymous reporting tool developed by the online safety charity SWGfL, designed to support reporting concerns in schools and organisations.

With secure, two-way communication, Whisper allows anyone in the community to report concerns in confidence to a trusted adult.

Who Uses Whisper?

- Hundreds of schools and organisations across the UK and internationally.
- Used by:
  - Students & young people
  - Staff members
  - Parents & carers

Who Manages Whisper?

- Schools and organisations subscribe to the tool
- They then assign a trusted staff member (often a Designated Safeguarding Lead) to manage and respond to reports.

How It Works

- ✅ Provides an open channel for anonymous reporting
- 💬 Secure 2-way communication via chat or SMS
- 📝 Reporting Forms
- 🗂️ Customisable settings for staff to segment and manage reports

About SWGfL & Safeguarding Network

SWGfL has been at the forefront of online safety for 25 years, supporting schools, organisations, government, and tech companies with trusted resources and products—used by over half of UK schools and beyond.

Now, in partnership with Safeguarding Network, members can access the Whisper Anonymous Reporting tool for free until 31st July 2026.

Whisper empowers students, staff, parents, and carers to report concerns safely and anonymously—helping schools strengthen their safeguarding approach.

Safeguarding Network members can explore Whisper's benefits with ongoing support from the SWGfL team.
